## Burbank, California

As one of the most vibrant entertainment production centers in the world, Burbank takes center stage when it comes to launching the next generation of showbiz talent.

Designated one of America's Best Communities for Young People by America's Promise Alliance, the Burbank educational system, with more than 35 public, private, and parochial schools, is the first step in the meteoric rise of many Hollywood A-listers, including Drew Barrymore (John Burroughs High School), Jennifer Love Hewitt (Jordan

Middle School), and Elijah Wood (Stevenson Elementary); directors Ron Howard (Stevenson, Jordan, and John Burroughs High School) and Tim Burton (Burbank High); and the legendary Debbie Reynolds (John Burroughs High).

Along with great schools come Burbank's fabulous neighborhoods. From Hollywood-style mansions perched high on romantic hillsides, to dynamic executive lofts in colorful Downtown Burbank, to idyllic dream homes with stables in the Rancho Equestrian District, Burbank is a city blessed with the

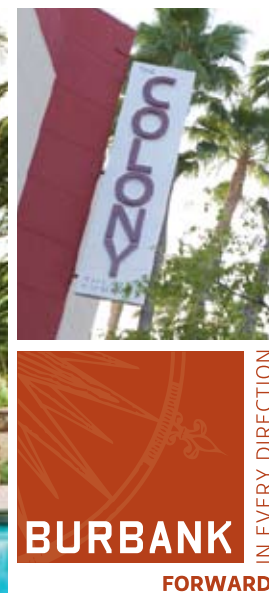

good life at every turn.

To experience this firsthand, check out the cosmopolitan vibe of Downtown Burbank, with its great people-watching, or browse the retro boutiques in the eclectic Magnolia Park District. Bask in the spotlight of a live studio audience at *The Ellen DeGeneres Show* and enjoy behind-the-scenes tours at Warner Bros. Cap off your visit with a live show at any number of theaters and clubs.

You'll see what we mean when we say that Burbank takes top billing when it comes to blending show biz with a sensational quality of life.

**INSPIRED. CONTEMPORARY. EXTRAORDINARY.**
